

In our Ofsted report (November 2011) the school was described as “**a good school, with several outstanding features**” and states:

"The school provides outstanding care, guidance and support for its pupils. The promotion of the self-worth of each individual is of prime importance. Parents and carers value the family feel of the school in which each child is known well and allowed to thrive. Behaviour is excellent and pupils state how safe they feel at school.

The school offers a range of before and after school activities and take-up rates are high. Pupils have a clear understanding of what to eat and what to avoid and have an excellent understanding of how to keep fit and healthy. Pupils enjoy coming to school and the attendance rate is high. "

Breakfast Club

All children are welcome to the popular and fully inclusive Morton School Breakfast Club from 7.45am - 8.50am in the Hall

The children are provided with a healthy breakfast when they arrive, consisting of cereal, toast, yoghurt and fruit juice or a milky drink.

Children are fully supervised with a range of fun activities often child-led and always organised appropriately for the different age groups that attend. These include games, arts and crafts and physical activities ensuring they have a calm and happy start to the day ready to concentrate on learning.

Each session will cost £4.00 per child and amounts can be negotiated for extra children or extenuating circumstances.
